## Objectives of the FDP

In the wake of the National Education Policy (NEP 2020) and increasing emphasis on quality assurance and global benchmarking, Indian higher education institutions are undergoing a paradigm shift. There is a pressing need to transition from traditional teaching methods to Outcome-Based Education (OBE), align with NAAC/NBA accreditation frameworks, and ensure the delivery of quality education through modern pedagogical tools and data-driven practices. This FDP is designed to empower faculty with the requisite skills and perspectives to navigate this shift, strengthen their role in institutional development, and contribute meaningfully to academic excellence.
