## “Teacher’s Day Celebration”

---

**Venue:** CSE Department, MEAEC.

**Date:** 5th September 2024

- Conducted By: Dept. of Computer Science and Engineering

# Program Brief

---

As part of the 2024 Teacher's Day celebrations, a special gaming event was organized to honor and appreciate the hard work, dedication, and contributions of our teachers. The event included a fun-filled Treasure Hunt and an engaging Quiz Competition exclusively designed for the teaching faculty. This initiative aimed not only to celebrate Teacher's Day but also to create a space for teachers to unwind, collaborate, and enjoy a well-deserved break from their busy schedules.

## Event Highlights:

### 1. Quiz Competition:

The event kicked off with an exciting Quiz Competition focusing on general knowledge, academic subjects, and fun trivia. The quiz not only sparked lively debates but also brought out the competitive spirit in our teachers as they competed to showcase their wit and knowledge.

### 2. Treasure Hunt:

Following the Quiz Competition, a Treasure Hunt was held, where the teachers were divided into teams. The participants enthusiastically followed a series of clues that led them around the campus, testing their problem-solving skills and teamwork. The hunt provided an enjoyable experience for everyone, encouraging camaraderie and friendly competition.

The Teacher's Day gaming event was a resounding success, fostering a sense of togetherness and fun among the teaching faculty. It was a small but meaningful gesture to celebrate and appreciate the educators who shape our future. We extend our heartfelt gratitude to all the teachers who participated and made the event so special. Their unwavering commitment to their profession is truly commendable, and this celebration was just a glimpse of the admiration and respect we have for them.

## Coordinators

1. Mrs. Rajeena M - Staff Coordinator
2. Mr. Ashmal M - Student Coordinator
