

REPORT OF XORIT ASSOCIATION DAY

XORIT Association day:

10 october 2024

The inaugural program of XORIT 2024-25 academic year at MEA Engineering College commenced on 29th October 2024, beginning with a prayer led by Shamil. The event was marked by a warm welcome speech from Sapna, who outlined the purpose of the gathering and acknowledged the distinguished guests present.

Thasleena Miss, the Head of the Department (HOD), delivered the presidential address, stressing the importance of education and collaboration. Following this, the Principal took the stage to give the inaugural address, focusing on the vision and goals of the institution.

A key part of the event was the felicitation ceremony, where Vice Principal Haneesh Babu, Manager Shamsudeen Sir, and Mrs. Deepasree Varma, Senior Knowledge Officer at ICT Academy Kerala, were honored for their significant contributions to education and technology.

In addition, staff coordinator Ms. Souparnika MP delivered a greeting speech to the students. The Principal also presented a memento to Mrs. Varma as a token of appreciation for her efforts.

The event concluded on a successful note, with all participants expressing gratitude and a shared commitment to advancing education and fostering collaboration within the community.

Tech talk session :

After a brief tea break, the event resumed with a Tech Talk session, led by Mrs. Deepasree Varma, Senior Knowledge Officer at ICT Academy Kerala.

In her session, Mrs. Varma shared valuable insights on the growing role of technology in education and how it is reshaping learning environments. She emphasized the importance of equipping students with essential digital skills to thrive in today's rapidly evolving job market. The session covered various aspects of Information and Communication Technology (ICT), including the integration of technology in classrooms, the need for upskilling, and the role of industry-academia partnerships in enhancing educational outcomes.

Mrs. Varma also highlighted the initiatives taken by ICT Academy Kerala in training educators and students, helping them stay ahead in the digital world. She encouraged the audience to embrace new learning technologies and be proactive in adapting to the changing educational landscape. The session was interactive, with participants asking questions and sharing their experiences, making it an engaging and informative discussion.

Games Session: Technical and Non-Technical Activities

Following the tech talk by Mrs. Deepasree Varma, the event transitioned into an exciting and interactive Games Session, which featured both technical and non-technical games. The purpose of this session was to engage participants in a fun yet challenging way, while fostering teamwork, strategy, and quick thinking.

Non-Technical Games:

Games like Chess, Ludo, and Treasure Hunting were part of the non-technical activities. These games encouraged strategic thinking, teamwork, and problem-solving. Participants enjoyed a relaxed atmosphere as they competed in friendly yet competitive matches.

Technical Games:

For those interested in digital gaming, PUBG, PES, and Type Speeding were the technical games played during the session. Participants competed in online multiplayer battles in PUBG, showed off their sports strategies in PES, and tested their typing speeds in the Type Speeding challenge.

How the Games Were Conducted:

The games were organized in a structured manner with participants divided into teams or individuals based on the game. Each game had its own set of rules and was overseen by organizers to ensure smooth conduct. Winners of each game were recognized and awarded prizes, adding a fun competitive element to the event.

Cultural Events

After the games session, the program transitioned into a series of cultural events organized by the students.

These events showcased the talent and creativity of the student community, adding a lively and vibrant touch to the day. The cultural performances included a mix of music, dance, and drama, all of which were well-received by the audience. The students' performances demonstrated their enthusiasm and skill, contributing to the overall success of the event.

Following the cultural events, the Association Day was formally concluded. The Principal and faculty members expressed their gratitude to everyone involved in making the event a success. It was a day filled with learning, fun, and collaboration, marking a significant moment in the institution's calendar.

As the program came to an end, attendees gathered for a group photo session to capture the memorable moments of the day. Pictures were taken with both the students and the distinguished guests, preserving the memories of the successful Association Day celebration.

Highlights of the day

A special “thank you” was extended to the “Executive Committee (ExeCom) members” for their hard work and dedication in organizing the event. Their efforts ensured the smooth execution and success of Association Day.

PRIZE DISTRIBUTION

On 1/11/2024 our staff coordinates, student coordinator and other Execom members distributed cash prizes to each winners.
